## Voter Registration Information

### Who Can Register and Vote

To register and vote, you must be 18 years of age, a citizen of the United States of America and a legal resident of Florida and of the county where you intend to vote. You can pre-register on or after your 16<sup>th</sup> birthday and may vote in any election held on or after that your 18th birthday.

*(See section 97.041, Florida Statutes)*

### Persons not Entitled to Register or Vote

- Any person who has been found by a court in this state or any other to be mentally incapacitated with respect to voting and has not had his or her right to vote restored.
- Any person who has been convicted of any felony in any court and who has not had his or her right to vote restored.
- Any person who is not a citizen of the United States of America.
- A person who is not registered to vote may not vote.

*(See section 97.041, Florida Statutes)*

### How to Register

To register to vote, you must fill out a voter registration application. Voter registration applications are available at your Supervisor of Elections' office, 4132 Okeechobee Road, Fort Pierce FL 34947, the Division of Elections, driver license offices, state agencies that provide public assistance, state agencies that serve persons with disabilities, public libraries, armed forces recruitment offices, and many other public locations. You may also download the application from the Division's website at <http://election.dos.state.fl.us/pdf/webappform.pdf>.

You may also apply to register to vote or update your voter registration when you get your driver license, apply for public assistance at state agencies, apply for services at state agencies that serve persons with disabilities, or obtain services at an armed forces recruitment office.

A voter registration application is complete for new registration if it contains:

- Your name,
- Your legal residence address,
- Your date of birth,
- Your valid Florida driver license number or Florida identification card number. If you do not have either of these, then you must provide the last four digits of your Social Security number. If you

have not been issued any of these number, you must indicate "none" in the field asking for this information,

- An affirmation or a mark in the check box affirming that you are a citizen of the United States of America,
- An affirmation or a mark in the check box affirming that you have not been convicted of a felony or that, if convicted, you have had your civil rights restored,
- An affirmation or a mark in the check box affirming that you have not been adjudicated mentally incapacitated with respect to voting or that, if adjudicated, you have had your right to vote restored, and
- Your signature on the oath (printed on the form) swearing or affirming under the penalty for false swearing that the information contained in the registration application is true. (Power of attorney is not accepted.)
- Your signature.

Note: If you do not designate a political party affiliation you will be registered without party affiliation.

*(See section 97.053, Florida Statutes)*

### **When Can You Register**

You can apply to register to vote at any time either by mail or in person. However, the deadline to register is the 29th day before each election. Your registration date will be the date your voter registration application is postmarked or hand delivered to your county Supervisor of Elections, the Division of Elections, a driver license office, or a voter registration agency (i.e., any office that provides public assistance, any office that serves persons with disabilities, any center for independent living, any armed forces recruitment office, or any public library). If your application is complete and you are qualified as a voter, a voter information card will be mailed to you.

After the deadline to register for an election, new voter registrations will be accepted, but only for the purpose of subsequent elections. Changes to your name, address, signature, and political party are accepted after the deadline for an election except that a political party change made after the books close for a primary election will not become effective until after the primary election.

*(See sections 97.053 and 97.055, Florida Statutes)*

### **First-Time Voters who Register by Mail**

If you register by mail and you are a first-time voter in the State and you have not been issued a Florida driver license number, Florida I.D. number, or a Social Security number, you are required to provide additional identification. To avoid any potential problems when you go to vote, you should provide a copy of the required identification at the time you mail your voter registration form. If you wait until later, you must provide the proper identification before you go to vote at the polls or vote absentee or your absentee ballot will not count. The following forms of identification

are acceptable if they contain your name and photograph:

- United States passport,
- Debit or credit card,
- Military identification,
- Student identification,
- Retirement center identification,
- Neighborhood association identification, or
- Public assistance Identification.

Instead of the photo ID, you may provide a copy of a current and valid utility bill, bank statement, government check, paycheck, or other government document containing your name and current residence address. **Do not send** original identification documents to the Supervisor of Elections.

The following persons are not required to provide the identification required under the previous paragraph:

- Persons 65 years of age or older.
- Persons with a temporary or permanent physical disability.
- Members of the uniformed services on active duty and their spouses and dependents, who, by reason of such active duty, are absent from the county on Election Day.
- Members of the Merchant Marine and their spouses and dependents, who, by reason of service in the Merchant Marine, are absent from the county on Election Day.

*(See section 97.0535, Florida Statutes)*

### **Placement on Inactive Voter Rolls and Removal**

If the Supervisor of Elections receives information from the post office or another source indicating your residence may have changed to another address in Florida, your registration record will be changed to reflect that new address. You will then be mailed an address change notice asking that you verify or correct the new address. If the information shows you have moved outside the state, you will be sent an address confirmation final notice. If you do not respond to the address confirmation final notice within 30 days, your registration status will be changed to inactive. You can restore your status to active at any time if you update your voter registration record, go to the polls to vote, or request an absentee ballot. However, if you do not do any of these things after two general (federal) elections from the date you were made inactive, you will be removed from the registration records and must register again in order to vote.

*(See section 98.065, Florida Statutes)*

### **Registration Is a Public Record**

In Florida, voter registration records are open to the public. Any person can examine or copy the records. However, the following registration information is confidential and exempt from disclosure: Social Security number, driver license number, Florida identification number, location of voter's place of registration, and location of place of registration update. A voter's signature may be viewed but may

not be copied.

(See section 97.0585, Florida Statutes)

## **Military and Overseas Citizens**

### **Registering and Voting Absentee**

If you are a United States uniformed services member on active duty, a Merchant Marine member, spouse or dependent thereof, or a United States citizen residing outside of the United States, you can use the Federal Post Card Application (FPCA) to register to vote, to request an absentee ballot (if you are already registered), or to do both at the same time. You get the FPCA from a Voting Assistance Officer or through the Internet at [www.fvap.gov](http://www.fvap.gov). The FPCA request for an absentee ballot will be effective for all elections through the next regularly scheduled general election. If the FPCA is not available, phone or send a written request by mail, fax, or e-mail to the Supervisor of Elections and a voter registration application or absentee ballot will be sent to you. By law, absentee ballots must be transmitted to military and overseas citizens at least 45 days before each election.

If you are a United States uniformed services member on active duty, a Merchant Marine member, absent stateside or overseas from your place of residence, a spouse or dependent thereof (who is also absent due to the member's absence), or a United States citizen residing overseas, you may have your absentee ballot either faxed or e-mailed to you (up through Election Day), in lieu of receiving it by regular mail.

If you include an e-mail address with your absentee ballot request, the Supervisor will notify you by e-mail that your request has been received. The Supervisor will also provide you the estimated date the ballot will be sent to you and let you know when he or she has received your voted ballot.

Once your ballot is voted, it should be returned to the Supervisor of Elections so that it is received no later than 7 p.m. Election Day, regardless of how it was received. Carefully follow the instructions sent to you with your absentee ballot to ensure that it is counted. Sign and date the absentee ballot certificate to ensure that your ballot is counted. Unless you are overseas, you must return your voted ballot by regular mail. If you are overseas, you can return your voted ballot by fax or mail by following the instructions with your ballot.

You can track the status of your absentee ballot request and the ballot through the online voter registration lookup link at: <http://elections.myflorida.com> or through the Supervisor of Elections' website [www.slcelections.com](http://www.slcelections.com) .

(See sections 101.6952 and 101.697, Florida Statutes; R1S-2.030, R1S-2.049, Florida Administrative Code)

### **Federal Write-in Ballot**

If you have not received your ballot two weeks before an election, contact your county Supervisor of Elections. If it is getting close to Election Day and you still have not received your absentee ballot, you can use the Federal Write-In Absentee Ballot (FWAB) to vote for federal office races only. The FWAB is a back-up absentee ballot, but in order to use it, you have to be a registered voter and have previously requested a regular absentee ballot. Only uniformed services members on active duty or a Merchant Marine, either of whom is absent stateside and overseas from his or her place of residence, a spouse or dependent thereof (who is also absent due to the member's absence), or a United States citizen residing overseas, can use the FWAB.

When you fill in the FWAB, mark your choice either by writing in the name of the candidate or by writing in the name of the political party, in which case, the vote cast will be counted for the candidate of that political party, if there is such a party candidate on the ballot.

Additional information for military and overseas voters is available from:

### **State Write-in Ballot**

Under certain circumstances, as an overseas voter, you can request a state write-in absentee ballot from your county Supervisor of Elections. You may request the ballot 180 days (6 months) before the general election. You can vote the state write-in absentee ballot only if military or other contingencies will prevent delivery of the official absentee ballot to you during the normal absentee voting period. In completing the ballot, you may designate your choices either by writing in the name of the candidate or by writing in the name of a political party, in which case, the ballot must be counted for the candidate of that political party, if there is such a party candidate on the ballot.

The earliest date to request a State Write-in Ballot for the 2012 General Election is May 10, 2012.

*(See section 101.6951, Florida Statutes; Rule 1S-2.028, Florida Administrative Code)*

### **Late Registration**

An individual, or accompanying family member, who has been discharged or separated from the uniformed services, Merchant Marine, or from employment outside the territorial limits of the United States, after the deadline to register for an election, who is otherwise qualified, may register to vote in such election at the office of the Supervisor of Elections until 5:00 p.m. on the Friday before that election. Such persons must produce sufficient documentation showing evidence of qualifying

for the late registration pursuant to this section.

*(See section 97.0555, Florida Statutes; R1S-2.029, Florida Administrative Code)*

## **Changes in Address, Name, Party, or Signature**

### **When Voters Move**

If you move to another address, you must call, write, fax or email the Supervisor of Elections to notify them of your new address.

When you move your residence, you must vote in the precinct to which you have moved. If you have not already provided change of address information to the Supervisor of Elections prior to the election, you will be required to provide that information before you can vote. In order to avoid delays at the polling place, you should update your address whenever you move.

Generally, you cannot vote in any precinct other than the one in which you live and are registered. However, if you are temporarily living outside your home county and have no permanent address in the county, you can apply to be registered and vote in the precinct that contains the main office of the Supervisor of Elections. These voters are not allowed to vote in municipal elections.

If you reside overseas indefinitely and the last place you lived in the U.S was in Florida with no permanent residence, and you are still a registered Florida voter, you will be allowed to vote in federal elections only.

*(See sections 97.1031 and 101.045, Florida Statutes; Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. 1973ff)*

### **When Voters Change their Name**

If you change your name by marriage or other legal process, you must notify the Supervisor of Elections of such change in writing, provided the notice is signed and contains the person's date of birth or voter registration number or by completing a Florida Voter Registration application. If you have not provided this information prior to going to vote, you can make a name change, in writing, at the polls before voting.

*(See sections 97.1031 and 101.045, Florida Statutes)*

### **When Voters want to Change their Party Affiliation**

If you want to change your party affiliation, you must notify the Supervisor of Elections of such change in writing, provided the notice is signed and contains the person's date of birth or voter registration number or by completing a Florida Voter Registration Application. You cannot change your party at the polling place. To be effective for a primary election, a party change must be made at least 29 days before the primary election.

*(See section 97.1031, Florida Statutes)*

### **Signature Updates**

It is very important for you to keep your signature current with the Supervisor of Elections. Signatures on your registration record are used to verify signatures on petitions and on provisional and absentee ballots. If your signature does not match, your petition or ballot will not count. Signature updates for provisional and absentee ballot verification purposes must be submitted no later than the start of the canvassing of absentee ballots, which occurs no earlier than the Wednesday before Election Day. To update your signature, you must use a voter registration application and submit it to the Supervisor of Elections.

*(See section 98.077, Florida Statutes)*

## Election Day Information

### Poll Workers

Supervisors of Elections are always looking to hire friendly, dedicated people to work at the polls on Election Day. Election Days can sometimes be demanding, but it is a rewarding experience to assist Florida's citizens in the important process of casting their votes. Contact the local Supervisor of Elections if you are interested, 772-462-1500.

*(See sections 102.012 and 102.014, Florida Statutes)*

### Change in Polling Place or Precinct

Any time there is a change to your precinct location or polling place, you will receive a new voter information card. Notice will also be posted at least once in the newspaper, no sooner than 30 days before, but no later than 7 days before an election. A polling place or precinct change will also be posted on your county Supervisor of Elections' website. In the case of an emergency and when time does not permit, the notice of the new polling place will be posted at the old polling place.

*(See section 101.71, Florida Statutes)*

### What to Expect at the Polls

Polls will be open on Election Day from 7 a.m. until 7 p.m. local time. Contact your Supervisor of Elections for early voting hours. To determine your polling place, check your voter information card or contact the Supervisor of Elections Office, 772-462-1500. You may also find your polling place on <http://elections.myflorida.com>, through the online voter lookup, or on your Supervisor of Elections' website.

In order to vote at the polls, you must show a photo and signature identification. Acceptable forms of photo identification include:

- Florida driver license,
- Florida identification card issued by the Department of Highway Safety and Motor Vehicles,

- United States passport,
- Debit or credit card,
- Military identification,
- Student identification,
- Retirement center identification,
- Neighborhood association identification, or
- Public assistance identification.

If your photo identification does not contain your signature, you will be required to show an additional identification that provides your signature.

Once your identity has been established, you will be asked to sign the precinct register or electronic device and then you will be allowed to vote. If you need assistance in marking your ballot, please inform the poll worker. If you make a mistake when voting on a paper ballot, ask for a replacement. You may receive up to two replacements, or a total of three ballots.

If your eligibility to vote cannot be determined, or you do not have the proper identification, you will be allowed to vote a provisional ballot. Regardless of the reason why you vote a provisional ballot, you must be given a written notice of rights that includes:

1. A statement that you have until 5 p.m. of the second day after the election to bring evidence of your eligibility to the Supervisor of Elections, 4132 Okeechobee Road, Fort Pierce, FL 34947.
2. A statement that if you voted a provisional ballot solely because you did not bring in identification, you do not have to bring in further evidence of eligibility. The local canvassing board will count your ballot, if you voted in the right precinct and the signature on the provisional ballot certificate matches the signature on the voter registration record.
3. A statement that if you voted a provisional ballot because your personal identifying number could not be verified, you can provide the card with the identifying number or a copy of the card may be provided to the Supervisor of Elections by the deadline.
4. Instructions on how you can find out if your provisional ballot was counted, and if not, the reason(s) why.
5. A statement that if this is a primary election, you should contact the Supervisor of Elections' office immediately to confirm that you are registered and can vote in the general election, 772-462-1500.

*(See sections 101.048 and 101.043, Florida Statutes, and Rule 1S-2.037, Florida Administrative Code)*

## **Primary Election**

Florida is a closed primary state. That means that only voters who are registered members of political parties may vote for their respective party's candidates in a primary election. Voters without party affiliation are not eligible to vote for party candidates in a primary election. If all candidates have the same party affiliation and the winner will have no opposition in the general election, all qualified voters, regardless of party affiliation, may vote in the primary election for that office. This is known as a Universal Primary Contest.

Nonpartisan judicial and school board offices, nonpartisan special districts, and local referendum questions are included in some primary elections. All registered voters, including those without party affiliation are entitled to receive and vote these ballots.

*(See sections 100.061 and 101.021, Florida Statutes, and Article VI, Section 5(b), Florida Constitution)*

## **Assistance in Voting**

All polling places are equipped with accessible voting systems for persons with disabilities to enable such persons to vote without assistance. However, if you are a person with a disability or cannot read or write and wish someone to help you, you can designate someone of your own choice, other than an employer or an officer or agent of your union, to provide such assistance. Election officials may also provide assistance.

*(See sections 97.061 and 101.051, Florida Statutes)*

## **Nonpartisan Judicial Elections**

Candidates for the Florida Supreme Court and District Courts of Appeal will appear on the ballot in the general election for a vote on their retention. Candidates for circuit and county court judge will appear on the primary ballot and on the general election ballot, if necessary, for election.

*(See section 105.041, Florida Statutes)*

## **Poll Watchers**

Each political party, each political committee with issues on the ballot that they are registered to support or oppose, and each candidate may have one poll watcher in each polling room or early voting area at any one time during an election. Poll watchers must be registered voters in the county and cannot be candidates or law enforcement officers. Each political party, each political committee, and each candidate requesting to have poll watchers must designate, in writing to the Supervisor of Elections, 4132 Okeechobee Road, Fort Pierce, FL 34947, poll watchers for each precinct prior to noon of the second Tuesday preceding the election. Poll watchers for early voting shall be requested in writing to the Supervisor at least 14 days before early voting begins.

Election	Poll Watcher Designation Due	
	Early Voting	Election Day
Presidential Preference Primary Election	January 7, 2012	January 17, 2012
Primary Election	July 21, 2012	July 31, 2012
General Election	October 13, 2012	October 23, 2012

(See section 101.131, Florida Statutes)

## Absentee Voting

### Who can Vote Absentee

All qualified voters are permitted to vote absentee under Florida law.  
 See sections 97.021(1) and 101.62, Florida Statutes)

### How to Vote Absentee

A voter, or, if directly instructed by the voter, a member of the voter's immediate family or the voter's legal guardian, may request an absentee ballot from the Supervisor of Elections in person, by mail, by telephone, or online through the Supervisor of Elections' website. One request can cover all elections through the next two regularly scheduled general elections. A request shall include:

- The name of the voter for whom the ballot is requested;
- The voter's address;
- The voter's date of birth;
- The requester's name;
- The requester's address;
- The requester's driver license number, if available;
- The requester's relationship to the voter; and,
- The requester's signature (written request only).

A request for an absentee ballot to be mailed to a voter must be received by the Supervisor of Elections no later than 5 p.m. on the sixth day before the election. Absentee ballots will be mailed by **non-forwardable** mail to the voter's current mailing address on file with the Supervisor. However, if the voter wants the ballot sent to a different mailing address, the request must indicate one of the following reasons:

- The voter is absent from the county and does not plan to return before the election;
- The voter is temporarily unable to occupy his or her residence because of a hurricane, tornado, flood, fire, or other emergency or natural disaster;
- The voter is in a hospital, assisted living facility, nursing home, short-term medical or rehabilitation facility, or correctional facility.

In these cases the Supervisor will mail the ballot to the address specified by the voter in the request.

Absentee ballots for voters covered by the Uniformed and Overseas Citizens Absentee Voting Act must be sent by **forwardable** mail, fax, or e-mail as specified by the voter in the request.

Instead of having the absentee ballot mailed, a voter may pick up his or her ballot at any time after the ballots are printed but before 7 p.m. on Election Day.

A designee may pick up an absentee ballot for a voter on Election Day or up to 5 days before Election Day. A designee may only pick up two blank absentee ballots per election, other than his or her own ballot or ballots for members of his or her immediate family. Designees must have written authorization from the voter, present a picture I.D., and sign an affidavit.

Voted absentee ballots must be mailed, or delivered in person, reaching the Supervisor of Elections' office no later than 7 p.m. on the day of the election. Do not return your voted absentee ballot to a polling place.

If you have obtained an absentee ballot, but want to vote in your precinct on Election Day, you must take the absentee ballot with you to the polls, whether or not it has been marked, so that it can be cancelled. However, if you are unable to return the ballot, you can still go to the polls, and be allowed to vote a provisional ballot.

You can track the status of your absentee ballot through the online voter registration lookup link at: <http://elections.myflorida.com> or through your Supervisor of Elections' website, [www.slcelections.com](http://www.slcelections.com) .

*(See sections 101.62 and 101.69, Florida Statutes)*

## Early Voting

Early voting will **begin** 10 days before an election and end on the **3rd** day before an election. Call the Supervisor of Elections to find out the times and locations early voting is offered in your county, 772-462-1500.

*(See section 101.657, Florida Statutes)*
