The City Election is Non-Partisan. All registered voters residing in the city are eligible to elect the Mayor and Council. The offices of mayor and council districts are elected citywide.

Multiple candidates: When 3 or more persons qualify for a designated seat on the council or mayor, the names shall appear and be voted on at the primary election. If no candidate receives a majority of the votes cast for a designated seat, the two candidates receiving the highest number of votes cast shall be voted on in the general election. Unopposed candidates shall be deemed elected without the necessity of being voted on in an election.

If a vacancy occurs within the Council and, if there is less than 6 months remaining or if there is less than 6 months before the next regular City Election, the Council by a majority vote, shall choose a successor from the district in which the vacancy occurred. If there are more than 6 months remaining in the unexpired term or more than 6 months remaining before the next regular election, the City Council will schedule a Special Election to be held no earlier than thirty (30) days and not later than ninety (90) days following the date the vacancy occurred.

Term begins when sworn into office at special Council meeting after Election is held.
