The City Election is Non-Partisan. Registered voters residing in the District are eligible to elect the Commissioners. All registered voters in the city are eligible to elect the Mayor.

Multiple candidates: When 3 or more persons qualify for a designated seat on the city commission or mayor, the names shall appear and be voted on in the primary election. If no candidate receives a majority of the votes cast for a designated seat, the two candidates receiving the highest number of votes cast shall be voted on in the general election. When only 2 candidates qualify for any one office the names shall appear and be voted on in the general election. A write-in candidate is not entitled to have his or her name printed on any ballot; however, space for the write-in candidate's name to be written in must be provided on the general election ballot. Unopposed candidates shall be deemed elected without the necessity of being voted on in an election.

If a vacancy occurs in the office of Mayor or Commissioner, and if less than 6 months remains before next Municipal Election, said vacancy shall be filled by a vote of the remaining Commission, within 30 days after vacancy. If more than 6 months remains in the unexpired term at the time the vacancy occurs, a Special Election shall be called as early as legally possible. Term begins when sworn into office the second regular meeting following the General Election.
