

Online Voting Made Easy

Offered by Gertrude Walker, St. Lucie County Supervisor of Elections

The Saint Lucie County Supervisor of Elections office has partnered with DoubleClick Democracy to offer online voting for the St. Lucie County School System.

We offer online elections for Student Government, Homecoming, Prom and SSYRA.

Click on the following link <https://dcdonline.org/vote/KVTBStLucie/1463> to view a ballot from the 2015 school year for the SSYRA election. Use the code **5532440** to see the Demo Ballot in action. You can use this code as many times as you want and vote as many times as you like.

For an actual election, the access codes are generated for the different grade groups and therefor only show the appropriate ballot. The code will only work once when DEMO mode is disabled and the election becomes ACTIVE.
