Your new voter information card will be out of date soon!

Expect a new card in late spring or early summer.

Because of the 2020 census, district maps for federal, state, and local offices are changing. This may affect your voting precinct and Election Day polling place. As soon as the process is complete, we will mail your New Voter Information Card with your districts, precinct, and polling place for the 2022 Primary and General Election, expect your Voter Card in mid-June 2022. Until that time, any new or current voter wishing to make updates to their voter record will receive a confirmation letter.
