Vote-By-Mail Ballots Are On The Way
for the November 5, 2024 General Election

Voters in St. Lucie County can choose from three different voting methods: Vote-By-Mail, Early Voting at seven locations or voting at their designated precinct on Election Day. However, voting by mail offers the unique benefit of avoiding lines during Early Voting or Election Day, especially given a lengthy General Election ballot. By requesting a Vote-By-Mail ballot, voters can take their time and participate in the election process from the comfort of their homes.

Gertrude Walker, St. Lucie County Supervisor of Elections stated, "As of September 27, 2024, our office mailed a total of 40,112 ballots to registered voters with requests on file. I recommend that voters that are interested in voting by mail place their request well ahead of the deadline date of October 24, 2024, to ensure timely delivery."

Once completed, Vote-By-Mail ballots can be dropped off at a Secure Ballot Intake Station located inside any of the four St. Lucie County Supervisor of Elections offices. Secure Ballot Intake Stations are also available for Vote-By-Mail ballot drop off during Early Voting at the locations listed below starting on Monday, October 21, 2024, to Saturday, November 2, 2024, from 9:00 am to 7:00 pm each day and ending on Sunday, November 3, 2024 from 7:00 am to 3:00 pm.
